

Sea Turtle Venture Capital Fund Henry Wong, Diamond TechVentures

Overview:

Morgan Stanley CIO Mr. David Darst said, “The single most important success factor in the Chinese IPOs is that the CEO is an Overseas Chinese Returnee.

“海归”是指在海外定居、工作或学习，愿意通过各种形式为祖国服务的科技人才或学成回国，成为和将成为各条战线骨干力量的科技人才。他们的力量，是可以燎原。

Problem:

Many海归 deals are killed before they can enter the market. Most海归 are 科技人才 engineers; they are not businessman and CEO material. The inability to obtain VC Funding created a vacuum, a void that needs to be filled. This lack of 海归创投资金 Sea Turtle Venture Capital Funding issue is not solved right now! 但海归不但要有热心，还要有力量和资金帮助，才可能开始事务。

Solution:

With the endorsement of the China Government and funding subsidies, we are now starting a new focused 海归VC Fund, to provide to the 海归 more than just the Venture Funding, but the Motivation, the coaching and training of the Silicon Valley Success Formula, the Management Know-How and the Guanxi connection in the Financing world. “Success breeds success”, this program in China will definitely be 星星之火可以燎原, the Spark on the Plain, to light up a lot of minds and desire to win! These successes will create a new economy and a new face in history.

End result:

Time has arrived 适时 to implement this Proposal. There is only one Silicon Valley in the world, and Diamond TechVentures intends to replicate the business model, and nurture an environment 适地 to enable the Sea Turtle to growth in China. Sea Turtles start a new wave of Brain-Gains in China; they are always hard working & willing to innovate 人和. This Infusion of Sea Turtles will energize the Economy and provide additional fast growth 刺激经济增长 and a new economy. By transferring Silicon Valley know-how & Talents, 硅谷人的经验才智, this is a Brain-Gain that does not require an Export License. Diamond TechVentures enable additional Prosperity, Employment & Intellectual Properties infusion for China, 创造就业机会，带来繁荣富强. Something that money cannot buy!

Endorsement of the China Government and Funding Subsidies There are many organization from Beijing that are available to help the returning Sea Turtles to start their companies. They are namely: ZGC Science Park Overseas Startup Fund; Small Medium Size Enterprise New Innovation Fund ; Beijing Human Resources Overseas Students Assistant Fund;

科技部863计划联合办公室 863 Planning Office; 科技部973计划联合办公室;
